LLOYD HOTZ WEDS SEATTLE GIRL.

Claims Miss Elizabeth MacDonald for His Bride on New Years Day

The marriage of Lloyd Gustave Hotz, son of Mr. and Mrs. G. H. Hotz of this city, and Miss Elizabeth MacDonald, daughter of Mr and Mrs. Alister MacDonald, prominent residents of Seattle, Washington, was solemnized on New Year's day.

The ceremony took place at the MacDonald home in the presence of a number of invited guests. Among those present were, Joseph Golden an uncle of the groom and his brother R. Hotz of this city.

The bride looked charming in a white crepe de chene gown and bridal veil. She carried a shower bouquet of roses and was given away by her father, Mr. Alister R. MacDonald, a retired newspaper man.

Amid happy felicitations the young couple, immediately after the ceremony, departed on a short honeymoon trip to Portland, Oregon. On their return they will make their future home in Seattle.

The Hay Market

Somers & Co. in their weekly hay market report under date of January 6th, report the condition of the hay market as follows:

During the holiday season receipts of hay have been exceedingly light but 899 tons having arrived as against 1237 tons for the previous week. As is usual during this period of the year, trade is quiet and of late it has been especially so on account of the stormy weather which has prevented both the purchasing and shipping of hay.

The recent rains have been of great benefit to the farming sections with practically no damage resulting from them. The ground especially in the northern portion of the State is now well soaked and conditions thus far are promising for an excellent crop of hay and grain during the coming season.

Although holders of hay in the country districts continue to dispose of their stock yet there have been very few sales made of late owing to the fact that the dealers have very little demand at present and furthermore the farmers as a rule are unwilling to accept the present range of prices

There is nothing new to indicate any change in market conditions and it is quite probable that we will see no change in the situation for some little time to come.

SONOMA CHAMBER OF COMMERCE

Reorganized With New Blood and Energy It is Confidently Believed It Will Become a Big Factor Here

The old Sonoma Chamber of Commerce, which long since outlived its usefulness as a booster for Sonoma Valley in general and this city in particular, is now a thing of the past.

At a citizens mass meeting held in the City Hall last Monday evening, at which F. T. Duhring presided and Will F. Clewe was the secretary pro tem, the reorganization was perfected.

After Mr Duhring had stated the objects of the meeting, Mayor M. E. Cummings moved that the Sonoma Chamber of Commerce be reorganized under the old constitution. The motion, receiving a second from O. R. Wagner, was carried.

F. Duhring was chosen President and Mayor M. E. Cummings Vice President.

The following were elected directors: Dr. A. M. Thomson, J. A. Kinsella, C. C. Cowgill, J. F. Prestwood and R. L. Watt.

The following were appointed a committee of three to revise the constitution: W. F. Clewe, Mrs. A. H. Bates and John Picetti.

A membership committee of seven was then appointed consisting of the following: R. E. Murphy, S. B. Lewis, W. W. Carter, Mr. Muller, Mrs. Carrie Burlingame, B. Bordson and Dr E. L. Parramore.

It was the sense of the meeting that the new Board of Directors attend the Black Point Cut Off meeting of the Napa Chamber of Commerce to be held this afternoon, and as many more members as possible.

The meeting then adjourned until next Monday evening.

Sewing Club Meets.

The Bachelor-Maid sewing club met at the home of the Misses Caminata and as usual a most enjoyable afternoon was spent The club had the pleasure of admitting two new members, Misses Frances Buere and Virginia Van de Water late of Toronto, Canada, and at the height of their gay ty the buzzer rang. One of the maids went to the door and lo! to her surprise there stood a couple of bachelors who insisted on entering and—??

BAD INDIAN KNIFES FELLOW TRIBESMAN

Cuts and Slashes Jose Cassia in a Dreadful Manner—Victim Will Survive, However

Antone Benio, one of the few survivors of the old mission Indians who peopled Sonoma Valley by the thousands sixty or seventy years ago, made a murderous attack on Jose Cassia, a fellow tribesman at Agua Caliente last Saturday.

The cutting took place in Benio's cabin, where he resided with his mahala. He had been drinking and started a quarrel with his would-be victim, and drawing a keen-edged knife slashed him down the back, making a cut over a foot in length. Cassia was also cut about the arms before he could escape from the cabin where the cutting took place. Dr. W. B. Hays attended to the wounded Indian's hurts and he will recover.

Deputy Sheriff Joe Ryan upon being notified of the cutting went to Agua Caliente and arrested the knife-wielder and lodged him in jail in this city.

On Tuesday Judge Campbell held a preliminary examination in the little cabin where the cutting took place and held Benio for trial in the Superior Court, placing his bonds at $1000. The noble red man of the forest being unable to furnish the "plata" was forwith taken to Santa Rosa by officer Ryan and placed in the county jail to await his trial.

This is Benio's second cutting offense having recently served a year in San Quentin for cutting a fellow Indian.

Masons Hold Installation.

On last Saturday evening in the Masonic temple in the presence of a host of friends and fellow members, the following officers were installed:

E. Michelssen, worshipful master; H. Shaw, senior warden; F. Bose, junior warden; G. H. Hotz, treasurer; H. W. Gottenberg, secretary; R. Murphy and B Bordsen, senior and junior deacons; A. Adler and H. Bates, stewards; C. Whitmore, tyler.

Robt. P. Hill acted as installing officer, while M. Akers was the master of ceremonies.

The retiring officer, C. A. Whitmore, was presented with a handsome emblematic gift in the form of a watch fob, attesting the high regard in which he is held by his fraternal brothers. An elaborate banquet followed the installation also a short musical program. Altogether the evening was a most enjoyable one.

Vegetable Seed

United States Senator Geo. C Perkins has sent thisoffice for free distribution a quanity of vegetable seeds. They consist of beans, lettuce, muskmelon, onion and radish seeds. If you want a package of these seeds call and get them.

HIGH SCHOOL NOTES.

Due to some oversight Cicero failed to wish you a Merry Christmas and a Happy New Year, so he does it now.

All back with two new students included, one in the commercial department and the other in the academic.

Another inter-class track meet will be held during the month of February. From the official dope sheet it looks like the seniors will "cop."

We were honored with a visit from three of our former students who are attending school elsewhere. The visitors were Donald Campbell, Fred Duhring and John Duhring.

On Friday evening, Jan 16th, Prof. O. J. Kerns of the University of California, will give the people of Sonoma a lecture, accompanied by steriоptician views, on "Community Betterment," at the Don Theater.

Professor Kerns was formerly Superintendent of Schools of Winnebago County, Ill. Owing to his great agricultural knowledge he was given the position of Professor of Agriculture in the University of California. While in Illinois Professor Kern was very active in forming Boys and Girls Farming Clubs and he is continuing his work in California. Mr. Rowell has had the pleasure of hearing Professor Kerns and says that he is a very interesting and educational speaker, so the people of Sonoma will miss something if they do not hear him. Don't forget the date and place, Jan. 16th, at the Don Theater.

Black Point Cut-off and The Napa Chamber of Commerce

The movement started by the El Verano Development Association last summer to join the Sonoma and Napa valleys with the State highway at or near Novato by building the Black-Point Cut-off road to the mouth of Petaluma river and bridging the same to the Marin County shore and thus saving sixteen miles travel between Sonoma Valley points and San Francisco, is attracting wide attention in this section of the State.

At the very outset Sonoma and Marin counties took up the matter and appropriated $15,000 each to carry the project through with a promise of more money if necessary.

The State Highway Commission, too, has come to the rescue with a report favorable to the project and will in all probability make the cut-off a State highway.

Now comes the Napa Chamber of Commerce, which has taken hold of the matter with vigor, so much so that it has called a mass meeting to be held in Napa to-day to take up the proposition, to which will be sent representatives from both the El Verano Development Association and the Sonoma Chamber of Commerce to help boost the proposition along.

The following letter received from Harry L. Johnson, President of the Napa Chamber of Commerce goes to show what the people of Napa think of the Black Point Cut-Off and its advantages. We quote:

Napa, Cal., Jan. 6, 1914.

F. S. Sprague, Att'y at Law:
Sonoma, Cal.

Dear Sir—There will be a public mass meeting at Chamber of Commerce building at 2 o'clock p. m. Saturday, January 10, 1914. Glad to have you with us and give us a lift. I consider the Black Point Cut-Off highway the greatest thing that Sonoma, Marin and Napa can do for the money towards our future development. It means a ten-year advancement in one year.

Sincerely yours,
Harry L. Johnson.
President Napa Chamber of Commerce.

Little Miss Leah Rouquie of Vineyard Villa is the happiest little girl in town, as Santa Claus sent her a fine doll all the way from the city.

Enrico Forni is busily engaged beautifying the gardens and making other improvements around Pleasant Villa, Vineburg's pretty summer resort.

Henry Pape, the jovial mixologist, is busy studying out a plan to keep down the dust around the station. Say, Henry, just get Gus Rouquie's "sprinkling pot," that will knock the dust out. Sure.

Harry Andrieux, Marshal of Wingo, and his friend Jimmie Dorman, the well-known hay merchant, were visitors in North Vineburg on Sunday last and they say that "good apples are good."

The Booster's Club of Vineburg will give a banquet to their friends in the near future. They intend to invite all the leading citizens, except Jim Small, he is blackballed, but for goodness sake don't say I told you but a lady told me.

On Sunday last Cedric Cutter, a well-known and popular young orchardist and fruit drier of this vicinity and a native son of Vineburg, was united in wedlock to Miss Marie Marc of San Francisco. The wedding took place in the bay city and after entertaining a number of friends and relatives at an elaborate wedding breakfast, the happy couple left for a honeymoon trip through the southern part of the state.

Cedric may you ever prosper
And lead a happy married life.
Be a loving, faithful husband
To your pretty little wife.
"VIOLA VINEBURG."

Whenever you see Louie Rouquie strolling towards the tules, with his gun on his arm, you can just bet that there will be canvas back duck on the bill of fare at Vineyard Villa, and you will win out every time.

Notwithstanding the severity of the late storms, the "sewers" on Goo-Goo Avenue, Starlight Way, Eighth and Denmark and other streets are all in perfect condition, and the people can go around without wearing life perservers. That goes to show that the Box Car Improving Club knows its business.

We hear that his honor the mayor of Vineburg, John Murray, is now a member of the Sonoma Chamber of Commerce. As he is a gentleman with very wise and progressive ideas you should watch the valley grow.

Congregational Church, Jan. 11

Morning worship 11 a. m.

At this service we will tell you about a man in a dilemma. It was a mental dilemma. He did not know whether to live or die. You and I may have no trouble to decide it when we get a chance, but this man was unique as Jesus although not Jesus. If he died he was sure he would go to be with God and he much preferred it but if he lived he could teach men, suffer for men and show men the power of the right faith to make right conduct, as wrong faith makes wrong and delusive conduct. This man decided to live for men, to serve men, even if it cost him great affliction. Jesus died for others, this man decided to live for others because men needed his life of service. You cannot always do God's will dying for men but you can living for them. Jesus would not go to heaven until he had died for the world and Paul gave up the choice of heaven until he had lived for the world.

Y. P. S. C. E. will meet at 6:30 p. m. Mr. Weber is leader.

Evening worship at 7:30 p. m.

If we could hear the silver tongued man of God most eloquently discourse on the Word of God for ten years, it would not do us ten minutes worth of good if we did not walk in the way of truth he made plain. It is not the man who hears the call to dinners that gets dinner, it is the man who obeys the call. A hearer of the truth is not as good as a doer of the truth, but how are you going to figure that a man will be a doer if he is not a hearer like—I must not be personal. That would not be nice.

No Arrests to Be Made Under Auto Law.

There have been inquiries made concerning the enforcement of the new automobile licenses registration law in the county.

District Attorney Clarence F. Lea stated that no effort would be made to enforce the law pending the decision of the courts as to its validity.

As has been stated, arrests have been made in San Francisco for the purpose of testing the law and a number of the District Attorneys of the State have determined as District Attorney Lea has done, to await the higher court's decision as to the constitutionality of the law before enforcing it.

A number of auto owners have not driven their cars since the law went into effect, not knowing just what to do in the premises. Where the tax has been paid it has been under protest, the papers having been previously informed that a test case would be made by the State Automobile Association and others.

INTERNAL WATER WAYS CONGRESS

Mr. Chas. Spindler Gives His Views on the Great Proposition to Open Up Our Navigable Streams

Chicago, Jan. 1st, 1914

My Dear Mr. Granice—

With reference to Waterways Congress as outlined in the Sonoma Index-Tribune a week ago, I beg to say that there has never been a chance like this for Sonoma City and Sonoma Valley to promote the welfare of the community in an easier and far-reaching way. I had the pleasure of being at the banquet at the St. Francis hotel, mentioned in said article, and from my observation then and there, I am convinced that the dredging of Sonoma river up to the bridge between Sonoma and El Verano can be accomplished if sufficient interest is shown by the people of Sonoma and Sonoma Valley.

Considering the benefits from such dredging or canal, thereby establishing a Sonoma-El Verano competing water and rail shipping point, no efforts should be spared, as this would be equally as beneficial as the Black Point Cut-off to our valley. Transportation and its cost, far in excess to Napa and Petaluma points, has held Sonoma valley back from developing and creating what I may call a generation of stagnation.

Every ton of chicken feed, every ton of lumber and other material shipped into the valley, every ton of hay or other freight shipped out pays the high railroad freight and shipper as well as receiver pays the R. R. its tribute.

No manufacturing of any kind can prosper in Sonoma Valley under present conditions owing to the fact that freight rates both ways are prohibitive and cut profits to such an extent that competing with Napa and Petaluma is made impossible and consequently the grown up children flock to the city. This excessive cost of shipping is also holding back other immigration or quicker settling on the soil, because not only lumber and building material but necessaries of everyday life are more costly than in the adjoining valleys.

As stated in said article invitations to send delegates to said congress will be sent to the Boards of Supervisors, to Development Associations and Board of Trades in interested counties and it is to be hoped that the Board of Supervisors of Sonoma County will appear in full number and that the El Verano Development Association will send a strong delegation, also that Sonoma City will take part in a way, fitting the occasion considering this rare chance never offered its citizens before.

It must not be left out of sight in such proceedings that the more noise made, the larger the delegation, the bigger and more important and impressive the demand is made—the more urgent this demand will appear and success will depend largely upon the proper presentation and representation.

Remember that the W. C. T. U branch of California claiming a membership of 10,000, which is about one for every 250 inhabitants of the State, or five-one thousandth per cent, came very near making Congress believe that the wine industry of California should be outlegislated, which goes to show that an impression can be made by a strong delegation. Having given this waterway idea quite some attention and from personal observation in European countries I am under the impression that the zeal or aim of said congress will be to force two demands viz: first to ask Congress for a large appropriation to dredge the Sacramento and San Joaquin rivers and make same navigable and secondly to appropriate through bond issue of the State of California, sufficient money to dredge the smaller rivers

Of course railroads through their lobby in Washington and in Sacramento will oppose such legislation, same as they are now trying to abolish the toll-free sailing of coastwise American ships through the Panama Canal, but the people will finally win if persistancy will not vanish.

Beginning the new year with good intentions and resolutions is an old established custom, but he who wants to accomplish something particularly if in such a big undertaking of such magnitude for a small valley as the dredging of Sonoma river must not forget his good resolutions soon, but keep it in mind and work constantly and unceasingly all the time, until accomplished.

I congratulate the Index-Tribune having given in said editorial something valuable to its readers and I hope said article will have made a good impression and created a rousing feeling in general and awaken the Chamber of Commerce of Sonoma from its death or slumber to face the situation in a 1914 spirit.

Chas. Spindler.
